HUSKY HAPPENINGS

To say “Welcome to Northeastern” doesn’t quite cover the adventure you’ve begun. Some call it the experience of a lifetime, but we like to say it’s nothing short of amazing here. Your inauguration into life as a Husky in Boston begins with [Husky 101 Boston Orientation!](#)

Our [HUSKY HAPPENINGS](#) e-newsletter keeps students and families current on **Husky 101 Boston Orientation**, as well as informed on critical information and next steps, all of which will be essential to the student and family transition. **This is a bi-monthly communication, so look forward to future email announcements showing HUSKY HAPPENINGS in the subject line.** Husky Happenings is EVERYTHING Boston Orientation and Welcome Week!

BOSTON ORIENTATION TIMELINE

What's next? Review this monthly [timeline](#) to know what to expect and when to expect it. Here's what to look forward to in the coming weeks!

- **Husky 101 Boston Guide**
Students and families will receive a *checklist of action items* to complete before starting the fall semester. A sampling of tasks include: uploading a photo for your Husky Card and submitting your immunization requirements, among others. A complete checklist will be a part of the Husky 101 Boston Guide that will be included in Husky Happenings Volume 3, in late May.
- **Online Academic Advising**
Students will receive communication *directly from their college/program as early as May, and continuing through June and July*. It's important to note that online advising and course selection is unique to each individual

college/program. In addition to online advising, there will be academic sessions during Orientation should students need additional guidance.
